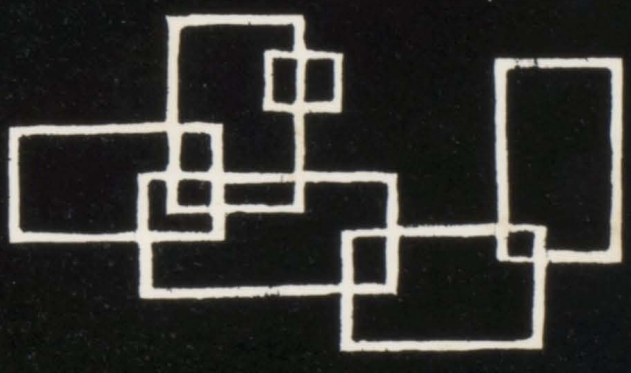
Foreword

As we step forward to meet each new day, we realize and appreciate more and more that *every* dawn should bring faith and hope and a love for life; and that *every* dusk should warm our hearts with accomplishment.



. . . this one thing I do,
Forgetting those things
which are behind,
and reaching forth
unto those things
which are before . . .

In Genuine Gratitude . . .

We, the McEvoy members of the 1965 *Ramscott* staff, in love and appreciation, dedicate our part of this year's annual to Mrs. Jackie Davis Richardson.

Her diligent and tireless efforts with the McEvoy Student Council, her conscientious standards of teaching, and her warm, friendly personality are definite assets to our school and our community.

She is always busy, but never too busy to assist a fellow teacher or to help a troubled student. Her classes offer humor and interest as well as challenge. We feel very lucky that Mrs. Jackie Richardson is a member of our McEvoy family.

As a very small attempt to thank someone for countless hours of work with the students, various organizations, and activities, and also for her natural good-natured understanding of us, we, the students of A. R. Willingham, wish to humbly dedicate our part of the 1965 RAMSCOTT to the sweet, young lady in room 145—Mrs. Dixie Cutter.

The McEvoy Student Council has been very busy this year with school service projects. Among the more important ones undertaken were a party for the children of the Hepzibah Home, Honor Week, S. C. cards and address books, and the Christmas Card delivery service. The Spring Bazaar took up the major portion of the time after the holidays and was termed a success. It was a busy year but a very profitable one for the girls at McEvoy.

Key Club Sponsors State Convention

LINDA SANNER,
Sweetheart

The Key Club's most important accomplishment this year was the Georgia State Convention, for which they were the host club. They did what was termed an excellent job in the planning and every phase was worked out smoothly. The club also bought glasses for underprivileged children and comprised the Lunchroom Police Force. The foundation laid by this year's club will be very instrumental in the work done by succeeding Key clubs at Willingham.

Beta Accents Achievement and this year at McEvoy and at Willingham, the Beta Clubs have made much progress toward helping the other students decide which college they want to attend and also which field they plan to enter. The groundwork that has been laid by these two clubs will benefit the schools greatly in the years to come and will reflect on the achievements of the Beta Clubs of 1965.

The Senior High Student Council chartered the first Pep Club in the history of the school this year. The charter president was David Blair. Under his leadership and the competent sponsorship of Mrs. Dixie Cutter, the club really boosted school spirit at the ball games both in town and out of town. The Pep Club offers an opportunity for all students to participate, and should be a definite asset in the years to come. To be a championship school, there must be a championship spirit, and this club offers that kind of spirit.

This year's Bonnie Blue Print Staff was the best ever. The editions of the paper were full of school news and campus crazes. The wit and personality of each member of the staff could be seen in each article written. Surely, the staffs to come will have to go a long way to even match this year's staff.

Ramscott Edito

"The trail of tears . . ."—That's the way we of the Ramscott Editorial Staff describe the portion of McEvoy's first hall between 106 and Mrs. Hinesley's room. Many was the day and frequent was the time that the editors ran aground and sought the help of our patient advisor. Once on the right track, however, much sweat, toil, tears, and low grades helped us put together this '65 Ramscott. Along the way, though, we cultivated friendships which will last long after the diplomas are handed out. We learned how to work together to solve mutual problems and actually became "one big happy family". The people on the next three pages deserve a lot of credit, for when the majority of the Rams and Lassies had dates, they were working on their sections. This sacrifice is not too much, really, for we know that this book will be cherished by you in years to come.

In Memoriam

OF WILLIAM BRADFORD HENDERSON, JR.

"The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death,
I will fear no evil: for Thou art with me; Thy rod and Thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies:
Thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I shall dwell in the house of the Lord for ever."

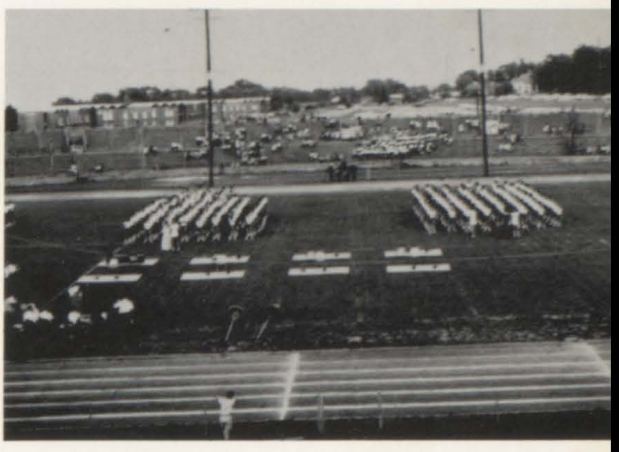
Physical Education Program

The second annual Physical Education and Fitness Exhibition was held at Porter Stadium, May 28, and was another stunning success, following the pace set last year by the first performance. All proceeds went to Ram Field Improvement Fund, an undertaking by the students for the improvement of the athletic facilities of Willingham and South Macon.



Garland Pinholster, Governor's chairman on Physical Fitness, speaks at second annual Ram Physical Education Night.

The entire student body of 1200 students took part in the company P.E. competition, consisting of calisthenics, gymnastics, and track events. Garland Pinholster, the Governor's chairman for Physical Fitness, was the featured speaker and presented awards to the most physically fit students, outstanding P.E. captains, intramural champions, and the trophy for the winning company during the competition.

Homecoming . . .

In Mem

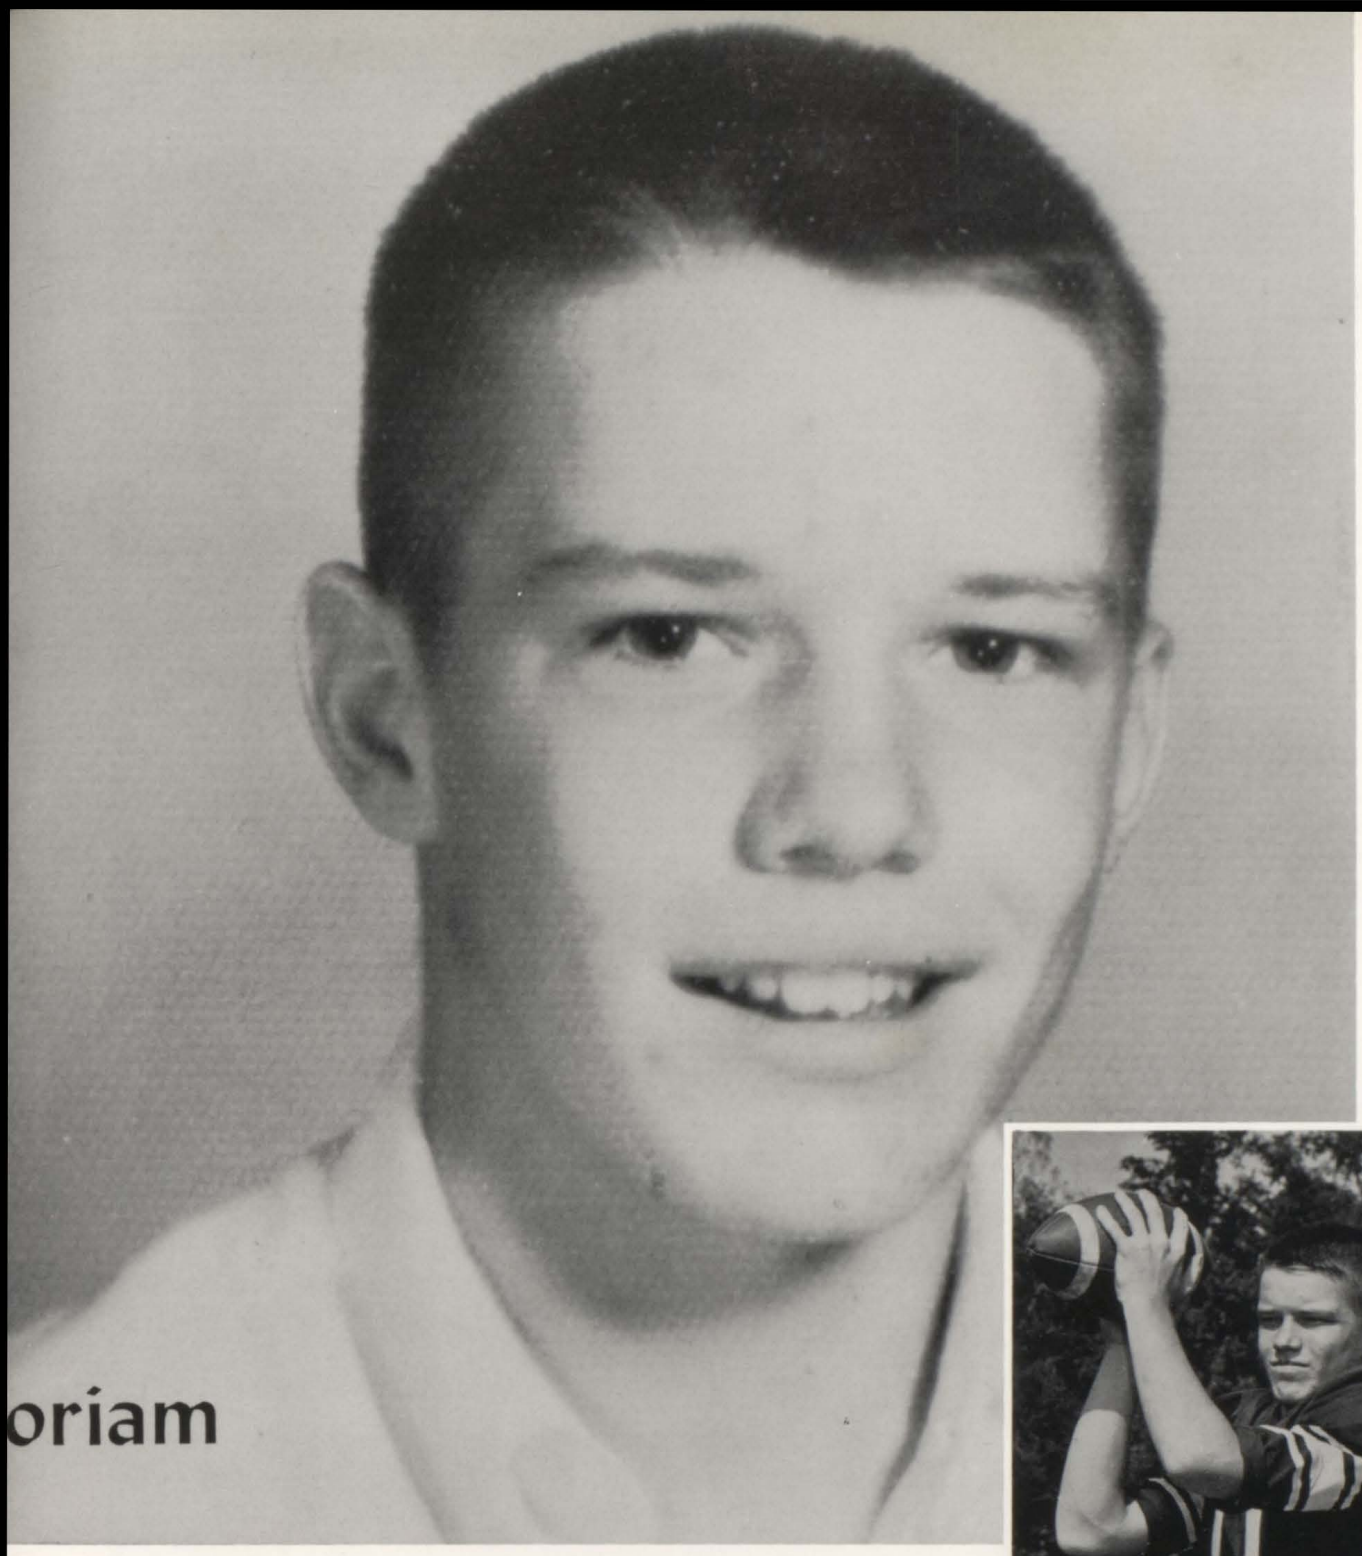
September 7, 1964 marks a tragic date in the minds of many. It was on this day that God called Miss Diane Driggars to His side. Those of us who knew this outstanding girl can partially understand why He needed her.

Diane's life was filled with love and hope and faith, all of which she shared unselfishly with everyone around her. She had a great zest and vitality for life that few of us are ever lucky enough to find.

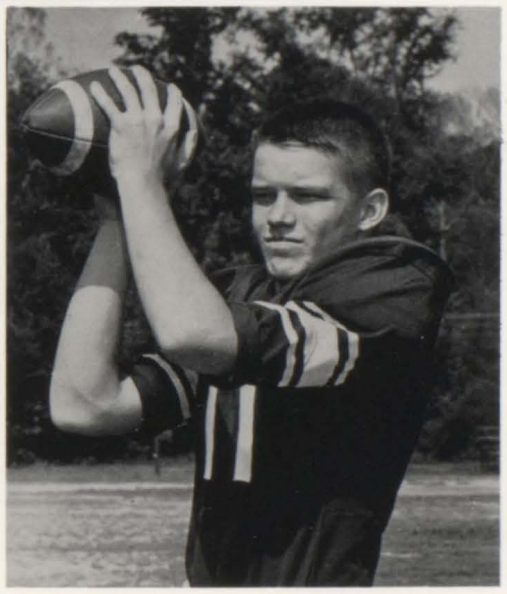
As one of Diane's close friends said, "If she could come back to us for only thirty seconds, I am sure that her testimony would be:

"For me to live is Christ and to die is gain."

(Phillipians 1:21.)



oriam



Brad, an outstanding student and athlete of Willingham High School, will never be forgotten. Characterized by his thorough dedication to the school in all phases of activity, he was an idealistic inspiration to the student body, friends, and especially fellow athletes. Number 11 was always the one to come through with the fairest and cleanest of sportsmanship that has given the Rams their distinguished record of undisputed excellence.

Possessed of a penetrating smile and sparkling personality, Brad never failed to make new friends wherever he went. Wholehearted devotion of his talents to the church, home, and school makes William Bradford Henderson a figure immortal in all our hearts.
